

# Augmenting The Learning Management System Of The UP Open University

**Al Francis D. Librero**

Faculty of Information and Communication Studies  
University of the Philippines Open University

The logo features the word "moodle" in a bold, rounded, orange-yellow font with a slight 3D effect. A black graduation cap is positioned above the letter 'm', with its tassel hanging down. The background is white with a subtle gradient, and a vertical bar on the right side is divided into three horizontal segments of different shades of brown and tan.

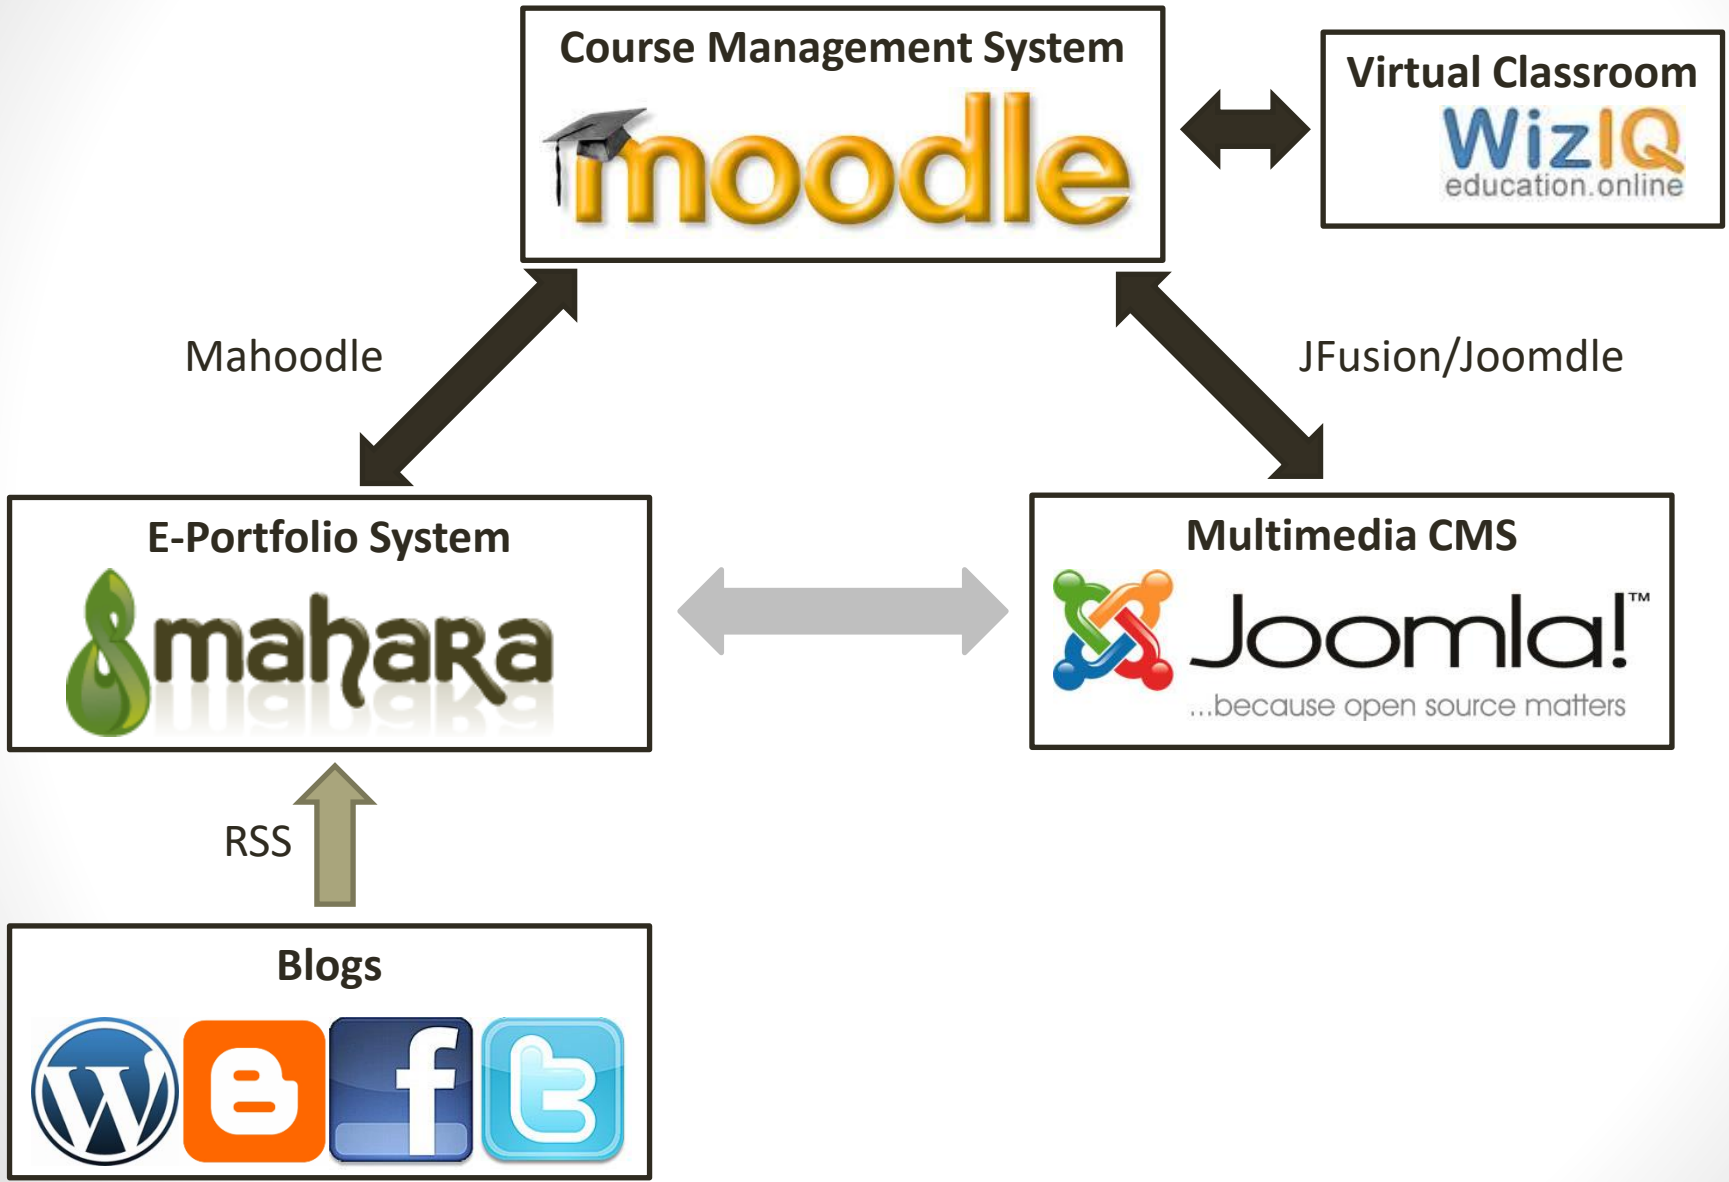

moodle

# Some Limitations of Moodle

- Compartmentalized nature
- Limited provision for collaboration
- Technical issues hampering system performance

# Integrated Learning Management System for UPOU

- Stable
- Flexible and scalable
- User-friendly
- Easy to deploy and maintain
- Low-cost

# Moodle

### Site news

This is a site to evaluate the latest version of Moodle.

Feel free to explore and make use of the site. However, please keep in mind that this is not a full production site. Under no circumstances will the administrator(s) be obligated to provide support should you encounter problems, nor will he/they be held responsible for such problems.

Thank you.

# Joomla!

The screenshot shows the Joomla! website for UPOU Networks. The page features a top navigation bar with the UPOU Networks logo on the left and a search bar on the right. Below the navigation bar is a main menu with links for HOME, ABOUT US, PRODUCTS, SERVICES, VIEWPOINTS, and CONTACT US. The main content area is divided into several sections: a featured video player for the 'UPOU 16th Anniversary' video, a sidebar of popular videos, and a footer with a main menu, a welcome message, and a list of UPOU events.
